Description

Description:

If you are looking for building land with all the secured infrastructure that is ready for construction, then you are in the right place! Not far from the center of Medulin and only 1 km from the beautiful beaches, we are selling a building plot located in the last row of construction in a natural environment with guaranteed privacy for the future building. The land has an area of 687m² and has a secured access road to the land and infrastructure next to the land. For the land, we have location information and construction conditions, as well as plans for the layout of the future building, and we deliver them to interested clients upon request with a previously signed mediation agreement.
