Description

Description:

ISTRIA, POREČ - Luxury villa near the sea The municipality of Tar-Varbiga is located between the tourist centers of Poreč and Novigrad, offering their charm within easy reach, but at the same time nurturing its own authentic offer dominated by olive growing and fishing, the hospitality of the local people and the tradition that is passed down from knee to knee. Tar-Vabriga is a municipality with six settlements that was created by separating from the city of Poreč. The story begins with the merging of two places into one, places that condense strong contrasts into a unique whole. There, at the same time, you come across the largest river of the Istrian peninsula, the Mirna, which flows into the restless sea and creates wonderful pictures in nature, but also the roads that lead inland, the realm of fresh forests and olive groves. The olive plantations that frame Tar and Vabriga and descend from the hinterland all the way to the sea, precisely because of their extraordinary location, produce the best olive oil in Europe. This beautiful luxury villa of 288m² is located on a plot of 814m². The villa consists of an entrance hall, a kitchen with a living room with access to the terrace, a swimming pool and 3 bedrooms with bathrooms. From the first floor there is an exit to the roof terrace with a beautiful view of the sea. The luxurious interior with carefully selected details is only part of the overall beauty of this villa. With a beautiful garden that includes a swimming pool for recreation and relaxation, an outdoor dining area and a barbecue, it is an ideal place for maximum enjoyment of privacy and complete peace and quiet. An ideal property for investment for the purpose of tourist rental due to the proximity to the sea and all facilities or as a private holiday residence. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions:
