Description

Description: This house from our offer is located near the Istrian jewel, the city of Poreč, which is currently under construction. The house is located on a plot of 400 square meters, and its living area is 170 square meters distributed over three floors - ground floor, first floor and attic. On the ground floor of the house there is a spacious living room, a kitchen with a dining room, and a bathroom with a shower. There are three bedrooms and two bathrooms on the first floor of the house, while in the attic there is another room with its own bathroom. The central part of the garden will be occupied by a swimming pool with a sunbathing area. Heating on the ground floor is underfloor (heat pump), and on the upper floors via Feinkoiler. The carpentry is PVC with triple glazing and electric blinds. The house is equipped with an alarm and video system. There are also parking spaces for three cars in the yard of the house. The planned completion of all works is autumn 2023. Other notes: Viewing the property is possible with the signing of the brokerage contract. In the case of a decision to purchase real estate, the agency commission is 3% + VAT on the purchase price and is invoiced after the conclusion of the purchase contract. Custom ID: H-05790 Energy class: U izradi Remark: Viewing the property is possible with the signing of the brokerage contract, which is the basis for further actions related to the purchase and sale, all in accordance with the Act on Brokerage in Real Estate Transactions. The agency commission is determined by the brokerage contract, and is payable after the conclusion of the sales contract.
