Description

Description:	Istria, Pula, surroundings This plot is located in a quiet part of a small village 6 km from Pula. It is located at the end of the construction zone, surrounded by forest and meadows. Near the land there are all necessary facilities for life, such as a
--------------	--

shop, school, church, butcher, cafe, restaurant and bus station. The first beaches are a 20-minute drive away. This plot of land is 807m², of which about 400m² is for construction. The agricultural part ends in the forest, which gives the land a special atmosphere and the perfect part for a small natural oasis next to the house. The infrastructure is about 100 meters away. Along with the land, the future owner also gets a share of the road which is 161m², which gives a total area of 968m². This land is a real opportunity to build a house in a quiet area, yet close to all facilities. We are at your disposal for any additional information. ID CODE: 1035-10
