Description

Description:	<p>We have an extraordinary offer for you - a plot of land with an area of 3165 m² located in a beautiful Šibenik settlement. This land is located in a residential part of the city and offers an ideal opportunity for the construction of smaller residential buildings or villas with a swimming pool. Here are some key details about this impressive estate: 1. Land area: 3165 m². 2. Location: The land is located in a quiet street in Šibenik. 3. View: This land offers a stunning view of the sea. 4. Distance from the sea: Only 600 m from the Adriatic Sea. 5. Infrastructure: All the necessary infrastructure is available and brought to the land itself, which makes the construction process much simpler and more practical. This land represents an exceptional investment opportunity. Due to its proximity to the sea and attractive location in the residential part of the city, it is ideal for the construction of smaller residential buildings or luxury villas with a swimming pool. Potential buyers can enjoy a beautiful view of the sea and at the same time enjoy the peace and quiet offered by the surrounding street. This offer is a rare opportunity to invest in real estate in Šibenik. The city is known for its rich history, beautiful coast, Krka National Park and proximity to the Kornati archipelago. Considering all these factors, this land has great potential for</p>
