Description

Description: For sale is a luxurious penthouse with an area of 130.81 m² in a new building on the beautiful island of Krk. The residential building is located on the south side, which gives light and warmth to this luxury property. The apartment consists of three bedrooms with their own bathrooms, two bedrooms also have spacious wardrobes, and one of the rooms has a glass wall through which you can access the terrace. In the second part of the apartment there is an open space where there is a kitchen, dining room and living room with a glass wall over the entire wall that leads to another large terrace. There is another additional room that can be arranged as desired. The carpentry is of high quality aluminum, there is underfloor heating throughout the apartment, which will provide you with comfort and warmth during winter days. The facility will have video surveillance and high-end alarm systems for your safety. Two parking spaces belong to this beautiful property, as well as the possibility of using an electric charger for vehicles. The distance from the sea and beautiful beaches is 840 m, to which you can walk through the greenery with the smell of salt in the air, which is suitable for the respiratory tract. The city center is 900 m from the apartment, where there are all the necessary facilities. The planned completion of construction of the facility is May 2024. ID CODE: 574
