Description

Description: Istria, Rovinj, The main attraction of Rovinj is the Old Town, which is located on a small peninsula. With its narrow stone streets, charming squares and authentic houses, the Old Town gives you the feeling of going back in time. At the top of the peninsula is the Euphrasian Basilica, recognizable for its magnificent Byzantine architecture. This apartment is located on the second floor and extends through the entire floor with its 54m². It consists of a living room with kitchen and dining room, bathroom, hallway and two bedrooms. Given its location in the very center of Rovinj, this apartment with a minor renovation can become a real gem for tourist rental or for living in the immediate vicinity of all facilities.
