Description

Description:	ISTRIA, RABAC - Villa with panoramic sea view On the southeastern coast of Istria, where green hills meet the sea, where nature and heritage come together,
--------------	---

there are two towns of similar size but with different but mutually complementary characters - Labin and Rabac, just five kilometers apart. Rabac, due to its white pebble beaches, rich Mediterranean vegetation and crystal clear sea, has been called the pearl of Kvarner. Once a small fishing village, today Rabac is an attractive tourist destination that hides a wealth of cultural events in a network of colorful streets. The green surroundings of Rabac and the picturesque hinterland invite you to adventure, research and recreation throughout the year. Not far from Rabac and Labin in a small settlement by the sea, a villa with a panoramic sea view is for sale. It is located in Mediterranean greenery in a quiet village on a hill with a view of the endless sea and islands. In addition to the breathtaking panorama, the property offers comfort and elegance with modern design and quality construction. The layout of the interior distributed over two floors offers a harmonious living environment illuminated by natural light. The ground floor consists of an open space that unites the living room, dining room and kitchen with access to a covered terrace, a bedroom with its own bathroom, a storage room, a toilet, a laundry room and a technical room. Upstairs there are three bedrooms, two bathrooms and a spacious terrace. Next to the house there is a covered summer kitchen with storage and a toilet, and the central part of the garden is occupied by a swimming pool with a sunbathing area.
