Description

Description:

ISTRIA, VODNJAN - Beautiful villa in a quiet location with a pool and garden! Numerous editions of the city of Vodnjan belong to different historical periods. Gothic, Renaissance and Baroque can be felt at every step while walking through this town, which was once an important urban center. The interesting thing that definitely stands out is the church of St. Blaža, whose bell tower is the highest in Istria (62m). Mild Mediterranean climate, excellent tourist offer, proximity to the sea, excellent micro-location for peaceful family life or property for rent. This villa was built in 2012 on a plot of 1027 m², and consists of a ground floor and an upper floor. The ground floor consists of an open living room with a kitchen and dining room, a bathroom and two spacious bedrooms and an entrance hall. From the entrance hall as well as the kitchen, you enter the rooms, one of which is intended as a laundry room, and the other as a storage room. Both the living room and the kitchen lead to a covered terrace and a beautifully landscaped yard, which is ideal for enjoying summer evenings. The staircase leads to the first floor, which consists of three bedrooms, a large bathroom and a wardrobe. Storage can be made under the stairs. There is central heating and air conditioning in each bedroom. On the fenced plot there is a swimming pool, a barbecue and a garden house with a summer kitchen, a toilet and a storage room for tools. The garden has its own tank for hot water, gas and central heating, its own absorption well and pipes for automatic irrigation. The house is sold furnished as shown in the pictures. Dear clients, this is an ideal house for a vacation with family and friends or as an investment option in tourism. For any additional questions, feel free to call the agents. Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 21052
