Description

Description: Istria, Pula, center When describing Pula, which is rich in tourist and historical sights, its magnificent Amphitheater is never omitted. Right near the Amphitheater, a spacious apartment is for sale, ideal for converting it into two apartments and engaging in tourism. The sea is less than 400 meters away, while all other amenities are just a few minutes' walk away. The apartment is located on the first floor of an older building, measuring about 100 m². Due to its layout and size, it has great potential for conversion into two apartments for rent. The apartment has two living rooms with a kitchen, three bedrooms, two of which have been renovated, one bathroom and a terrace that the future owner can arrange as he wishes. The roof was renovated last year. The apartment also has a storage room and 1/3 of the yard. There is a public parking lot in front of the building. An excellent and favorable opportunity to buy a property with great potential, in a great location. Ideal for tourist rental! ID CODE: 1038-34
