#### Description

Description: Poreč, surroundings, interesting building plot! This excellent building plot is located in a small Istrian town 17 km from the city of Poreč and the sea. The place is located on the western side of Istria, far from the city that exists and where you

can find all the necessary facilities for life all year round, such as a school, kindergarten, clinic, post office, several shops and restaurants, only 4 km. The land is located at the beginning of the village and is surrounded by nature and newly built houses. The total square footage of the land is 832 m<sup>2</sup>. The land has a regular shape and is ideal for building a holiday home as well as a family home. All the necessary infrastructure is located next to the field, and the access road is arranged. This property is an ideal investment for building a villa for rent. ID CODE: 1022-589
