Description

Description: Poreč, surroundings, building land for building a house! This building plot is located in a small Istrian town 17 km from the city of Poreč and the sea. The place is located on the western side of Istria, far from the city that exists and where you

can find all the necessary facilities for life all year round, such as a school, kindergarten, clinic, post office, several shops and restaurants, only 4 km. The land is located on the very edge of the construction zone and is surrounded by nature. The total square footage of the land is 1265 m², of which 770 m² is for construction and 495 m² for agriculture. The land has a regular shape and is ideal for building a holiday home as well as a family home. All the necessary infrastructure is located next to the field. ID CODE: 1022-585
