Description

Description: Poreč is a city where, throughout the year, you can find a place for rest, entertainment, sports, recreation, sightseeing, and many tourist attractions. You can cycle or walk along bike paths along the sea coast, rural hinterland, and Mediterranean forests with the remains of castles, prehistoric forts, churches, and rustic villas. The coast of Porec is 37 km long, with 21 beaches with the Blue Flag - a symbol of a clean sea. For boat owners, the coast of Poreč provides an inexhaustible source of research while they can anchor their boat in one of the well-equipped Poreč marinas. In a small village near Porec, a building plot of 2045 m2 is for sale. It is located along the asphalt road in the center. All necessary utilities are located next to the land. A plan for constructing two houses with a swimming pool has been made on the land, and on the edge of the land, there is an old stone house in a row for renovation. ID CODE: 391
