Description

Description: Vodnjan, house for adaptation. In the very heart of Vodnjan, there is a house for adaptation with a total area of 96m² spread over three floors. The property needs complete renovation. New carpentry and a wooden mezzanine structure were recently installed. Due to its location, the house is in the very center of all necessary facilities for life. This house is like a canvas that the future owner will finish and arrange according to his wishes. It has great potential for a family home and a tourist facility that will surely return the investment. ID CODE: 2005-93
