#### Description

Description: Poreč, surroundings, spacious building land for building houses! In a small Istrian town, 17 km from the city of Poreč and the sea, there is this excellent, spacious building plot. The place is located on the western side of Istria, far from the city

that exists and where you can find all the necessary facilities for life all year round, such as a school, kindergarten, clinic, post office, several shops and restaurants, only 4 km. The land is located at the beginning of the village and is surrounded by nature and newly built houses. The total area of the land is m<sup>2</sup>, of which 6506 m<sup>2</sup> is construction land and 1783 m<sup>2</sup> is agricultural land. The plots are newly formed and have a regular rectangular shape. All lands have a marked access road and all the infrastructure to the field. Each plot has a portion of agricultural land which is great for a garden or additional content. To the south of the plots there is a spacious agricultural land of approx. 31,000 m<sup>2</sup>, which can be purchased for an additional fee. This is a great investment for building vacation homes with additional amenities. ID CODE: 1022-594
