Description

Description: Poreč, surroundings, 4 plots for building houses! In a small Istrian town, 17 km from the city of Poreč and the sea, there is this excellent, spacious building plot. The place is located on the western side of Istria, far from the city that exists and

where you can find all the necessary facilities for life all year round, such as a school, kindergarten, clinic, post office, several shops and restaurants, only 4 km. The land is located at the beginning of the village and is surrounded by nature and newly built houses. The total land area is 3366 m². The plots are newly formed and have a regular rectangular shape. All lands have a marked access road and all the infrastructure to the field. This is a great investment for building holiday homes.
