Description

Description:

Rovinj in Istria is one of the most beautiful cities in Croatia. It is located on the western side of the Istrian peninsula, and extends north of the Lim channel and south to Bal. It is adorned by an extremely indented archipelago with as many as 14 islets and 6 rocks. Rovinj is the strongest tourist center in Croatia and has been recording a record 3 million overnight stays during the season for several years in a row. Rovinj's beaches are typical for this part of the northern Adriatic. Most often, you will find rocky headlands and pebbly bays that repeat rhythmically along the 67 kilometers of Rovinj coastline. The Zlatni rt forest park, which is located in the southern part of the city, will also enchant you. Walking, running, cycling and swimming in the hundred-year-old protected park are unique experiences to remember. Only 2.5 kilometers from Rovinj and 800 meters from the sea, this modern new building of 110 m² is for sale. It is located in a quiet place, outside the hustle and bustle of the city, surrounded by a pine forest. The villa has its own parking and is fenced, so you can enjoy privacy without worry. It consists of two bedrooms with private bathrooms, another toilet, kitchen, dining room, living room and is luxuriously furnished. The yard is completely fenced and there is also a swimming pool and a terrace with a barbecue and a table. Ownership 1/1. Certainly a beautiful property for a luxurious family life, but also suitable as an investment in the form of elite tourism.
