Description

Description:	Stanpromet.ba real estate agency is proud to announce and present the project Snježna Dolina Jahorina Phase 2. At the very beginning, allow us to introduce you to all the facilities we offer to apartment buyers in Snježna Dolina in Jahorina. As part of Snježna Dolina Phase 2. in Jahorina, we have apartment units under construction, arranged in 6 slats marked LA1, LA2, LB, LC, LD, and LE. The following options are offered: the apartment from the ad within Lamela A1 and A2, completion of works by the end of 2025, the apartment is located on the ground floor of the building with a total area of 35.32 m ² and consists of an entrance hall, a living room with a kitchen and dining room, a bedroom and a
--------------	---

bathroom. The apartment is designed according to the pattern of aparthotels and as such is ideal for own use or renting. In only 35 square meters, you get excellent comfort and a perfect apartment layout. In the first phase of the construction of 7 slats, Snježna dolina met expectations in terms of deadlines, quality and infrastructure projects. Now this project Phase 2 and this story continues! Mountain atmosphere and ambience located at 1595m above sea level, where untouched nature dominates. Jahorina-Olympic beauty and the village of Obučina ponds in the immediate vicinity of Šator. It is a micro-location of our and your Snow Valley! At 30m there is a ski track that is connected to other tracks and a ski lift with lighting, a system of artificial snow as well as a training ground for children and a board track. Through its two parts, it forms one complete whole, the first part is an apartment complex through 7 lamellas/buildings together with the second part, which includes a modern part with all facilities modeled on the best ski destinations in the world. This complex offers an indoor swimming pool, wellness, fitness, spa center, games rooms, recreational facilities with walking paths, restaurants and gastronomy, over 400 parking spaces on the underground level -1 and -2 of Phase 2 and all this at 29 kilometers from the center of Sarajevo and 32 kilometers from the Sarajevo airport. In addition to the apartments, there are planning and ski rooms that are additionally purchased, when it comes to parking space, a sufficient number of parking spaces are provided for owners and visitors with the option of renting, designed on the -1 and -2 underground floors of Phase 2. Parking for apartment owners is solved through the option of renting or buying . Apartment heating, central radiator, boiler room, payment according to consumption (calorimeter). Separate gauges for water and sttuja. It provides all apartment owners with a card with discounts on all its services, in addition to all owners who want to rent out their apartment to guests when they are not using it, as part of the operation that offers a complete service when renting apartments to guests and tourists, which includes full management (advertising, housekeeper, cleaner, reception of guests in apartments, sending off and billing) With this unique offer, we want to provide all our customers with a very fast and high-quality return on investment through an excellent annual return on investment.
