## Description

Description:

2 more plots available! In a nice location, we are selling 2 remaining plots from the project, which consists of 8 plots of 717 - 1055m2. Available plots are at reduced prices due to more urgent sales. The plots have a panoramic view of the sea and the plots have a slight slope, so there is a great view from every location! Water is located right next to the plots, and electricity is 100 meters away. The plots have a great possibility of urbanization in the future, therefore the road was made according to the instructions of the Municipality to a width of 6 meters so that in the case of urbanization, construction would be possible.
