Description

Description:	ZADAR - DIKLOVAC APARTMENT S1 ON THE GROUND FLOOR WITH A GARDEN The apartment is located in a smaller newly built building with a total of 5 residential units. The building consists of a basement, ground floor, first and second floors with a rooftop terrace. The ground floor apartment occupies the

entire ground floor level, with a total usable floor area of 129.11 m². It consists of an entrance/hallway, living room, kitchen and dining area, 3 bedrooms, 2 bathrooms (one bedroom has its own bathroom). The internal area of the apartment is 90.80 m², and it also includes a garden area of 103.10 m², a terrace of 21.20 m², a garage with one parking space of 24.70 m², a storage room in the basement of 11.90 m², and one external parking space of 14.96 m². Each apartment has 2 parking spaces and a storage room in the basement. High-quality materials were used in construction, with 10 cm of Styrofoam thermal insulation. The rooms will have three-layered parquet flooring (natural oak), and there is a possibility to choose ceramic tiles according to the buyer's preferences within a specified budget. The option to select tiles is available in the earlier stages of construction until the developer purchases them. A septic tank is installed with the possibility of later connection to the city sewer system. Underfloor heating is provided in all rooms through heat pumps. Cooling is achieved through a multi-split air conditioning system, with each room having its own unit. The planned completion of the construction works is 04/2024, with handover in 06/2024.
