Description

Description: Istria, Umag area A spacious plot of land in the vicinity of Umag with potential for investment is for sale. The land area is 4254 m². Part of the land closer to the road

is for construction, while the other part of the land is agricultural. The land is suitable for the construction of a residential building. There is electricity on the land, and water is located right next to the first house, which is next to the land itself. The land has a nice shape, and the access to the land is immediately from the road. Beautiful and well-kept beaches are only 450 m from the property, and nearby are walking paths, bicycle paths, restaurants, cafes, shops, golf courses and various other facilities. Umag, as well as the highway, are only a few minutes' drive away. Considering the attractive location and the size of the land itself, it can be ideal as an investment in the construction of a residential building or a house for vacation and tourism.
