Description

Description: Istria, Barban, surrounding area, Near Barban, there is a beautiful nature with untouched landscapes, forests, and hills that invite exploration. For outdoor enthusiasts, there are numerous opportunities for hiking, cycling, walking, and

exploring the surrounding villages. This stunning piece of land covers a total area of 20,960 square meters. Out of this, approximately 1,500 square meters are designated as building land, allowing you to fulfill your dreams by constructing your ideal home or developing a new project. This area provides ample space for your creativity and vision. The remaining part of the land consists of a beautiful forest that offers peace and the opportunity to explore the natural beauty. It is important to note that infrastructure, including electricity and water, is located nearby the site. This enables easy connection to these services and facilitates the land development process. The access to the land is from an asphalt road, further enhancing convenience and ease of arrival at the location. Now is the perfect time to seize this unique opportunity and become the owner of this beautiful land near Barban. Whether you plan to build your home, develop a new project, or simply desire your own piece of nature, this land offers incredible possibilities. Don't miss the chance to make your dreams come true! Contact us immediately to learn more about this extraordinary land and start realizing your plans and visions. ID CODE: 1018-980
