Description

Description: Rovinj is a town located on the west side of the Istrian peninsula and stretches north from the Lim Channel to Bale, south. There is something magical about a city with so many visitors. Once a fishing town, today it offers tourists an experience of the past in synergy with the new and modern architect that adorns the suburbs of Rovinj. - This modern new building is located in a residential building with three spacious apartments not far from the center of Rovinj and the sea.
