Description

Description: Rovinj is a town located on the west side of the Istrian peninsula and stretches north from the Lim Channel to Bale, south. Rovinj is said to be one of the most beautiful cities in Croatia, so it is not surprising that it is the strongest tourist center in Croatia and has been recording a record 3 million overnight stays per season for several years. There is something magical about a city with so many visitors. Once a fishing town, today it offers tourists an experience of the past in synergy with the new and modern architect that adorns the suburbs of Rovinj. - This modern new building is located in a residential building with six spacious apartments not far from the center of Rovinj and the sea. The penthouse has a total area of 198.91 m² and extends over two floors. It consists of a spacious open-space space with a kitchen, dining room and living room with balcony, three bedrooms with wardrobe and private bathrooms, two of which are on the first floor and the second in the attic, guest toilet, and pantry. The apartment has two parking spaces, one in the garage, which is located in the basement of the building, and the other outside as part of the garden. The building is also equipped with an elevator. The spacious

apartments are designed in every detail and are built with high-quality materials.
They are sold unfurnished, and photos intended for visualization are attached. ID
