Description

Description: Istria, Pula, Center The apartment is located in a quiet part of the city center, which allows easy access to all important amenities. The 75m² apartment is located in the attic of the building. It consists of two beautifully decorated bedrooms, a spacious and well-lit bathroom, and the open space consists of a living room, kitchen and dining room. A functional hallway that takes up little space connects all the rooms. It is a rarity, but this apartment located in the attic of the building has a separate covered entrance and does not require effort to enter the apartment. Due to its location, the apartment is suitable for family life or for vacation, and the distance of only 15 minutes to various sea beaches makes it an excellent choice. ID CODE: 1035-24
