Description

Description:

Agricultural land for sale in one of the most attractive locations in Istria. The land is located near the special ornithological reserve Palud - Palu's; near Rovinj. The area near Palud is also specific because of its beautiful beaches and untouched nature. The distance from the first beach is 2000 m. The land consists of twelve separate plots that are next to each other. It is possible to buy each plot separately. The plots are of different sizes from 659 to 874 m². The plots are regularly shaped and suitable for growing olives, vines and other crops that thrive in the area. Custom ID: D-043 Remark: Viewing the property is possible with the signing of the brokerage contract, which is the basis for further actions related to the purchase and sale, all in accordance with the Act on Brokerage in Real Estate Transactions. The agency commission is determined by the brokerage contract, and is payable after the conclusion of the sales contract.
