immediate vicinity there are shops, restaurants, post office, school, kindergarten, clinic and pharmacy. This spacious lot is the last building lot for sale and is located on a slightly hilly part of the town with an open view of the old town and the sea. The total size of the land is 10,936 m². All necessary infrastructure is located next to the plot. The land consists of several plots on which construction is permitted. Next to the plot are rustic villas with swimming pools built in the Istrian style. The land is ideal for building villas with a swimming pool. This attractive land is an ideal investment for investors who want to build holiday villas. ID CODE: 1031-596
