The house has a total area of 160 m² and extends over two floors. On the ground floor there is a living room with a kitchen and a dining room, 1 bedroom with its own bathroom, a storage room, a toilet and an external storage room. The first floor is accessed by an internal staircase where there is an entrance hall and 2 bedrooms each with their own bathrooms and terraces. The house also has an attic with a total area of 28 m², of which 9 m² is above 2 m high, which gives this house additional space for use. Heating is provided by a heat pump and cooling by air conditioners. It also has a landscaped garden of 80 m² with 2 parking spaces. The price includes VAT and it is sold in the turnkey phase, which includes a completely finished and ready-to-move-in property, except for furniture.
