Description

Description: Istria, Novigrad An attractive building plot with potential in Novigrad is for sale. The area of the building land is 934 m². The purpose of the land is residential. The land has a nice regular shape. All the necessary infrastructure is located right next

to the land itself. In addition to this building land, a share in the co-ownership of an agricultural land bordering this land is also for sale. The center of Novigrad, landscaped beaches, promenades, bike paths, restaurants, cafes, shops, the main road and various other facilities are located near the land. The highway is only a few minutes' drive away. Given the very interesting location, the land is ideal for investment in the construction of a residential building or a family home.
