This property is 1.5 km from the sea as the crow flies, or 5.6 km by car (approx. 11 minutes). **A UNIQUE PROPERTY DEFINITELY WORTH YOUR ATTENTION IN A GREAT LOCATION!!!** IČIĆI: Ičići is a small tourist town with about 800 inhabitants, located on the northern Adriatic, in the Kvarner Gulf. The place is 5 km from Opatija and 15 km from Rijeka. It is located at the foot of the Učka mountain, which is 1,401 m high, and its environment has been declared a nature park due to its uniqueness and natural beauty. The population is mainly engaged in tourism and catering activities. Due to its favorable location, Ičići has developed over the years into a real tourist destination with numerous offers, so in addition to a rich catering offer, it offers the possibility of practicing various sports, excursions, night outs. From Ičić there is a wonderful view of the two largest Croatian islands, Krk and Cres, which can also be visited by boat. This place is especially famous for its excellently equipped ACI Marina. Thanks to the variety of accommodation (hotels, apartments, motorhomes) and sports and recreational facilities (tennis courts, water sports, sailing...) nautical tourism has especially found a place for development here. On the way from Ičić to Učka, you will come across the small medieval town of Veprinac, which has its own law and dates back to 1500. Nearby is the Ičić car park, which is located near the beach, not far from the tennis courts. The main tourist attraction of Ičić is definitely the beach. It is located in the very center of the town, and consists of a concrete and sandy part. Every year, investments are made in beautifying the beach, which is why the beach receives the blue flag year after year. Entrance is free and available to everyone. The beach is bordered on one side by the ACI Marina, while on the other side there is a smaller port that has existed since the time of the town of Ičići and which developed parallel to the town. That Port accepts smaller boats and reminds that Ičići is a seaside place. It is worth noting that the famous Lungomare, a coastal promenade built by the Austrian emperor Franz Joseph I in 1885, passes through Ičići. This beautifully decorated coastal promenade is 12 km long and stretches from Voloski to Lovran, and Ičići is almost halfway. At night, it is discreetly lit, so conditions are created for romantic walks. The town of Ičići is connected to other towns by intercity and city buses. The so-called "Fishermen's Festivals" organized during the summer months are especially famous in coastal towns. Ičići also has its own festivals, for which the locals, as well as tourists, are informed a few days in advance through

numerous posters. Opatija: Opatija, a beautiful coastal town located on the Adriatic Sea, is a famous tourist destination for tourists from all over the world.
