Description

Description:	ISTRIA, MARČANA - House near the sea Marčana is a municipality in the
--------------	---

southeast of the Istrian peninsula. It is located about 12 km northeast of Pula, the largest city in Istria. It is known as a destination for the sea, holidays, wine and olive oil. It is a culturally rich settlement with crystal clear sea and an almost unreal landscape consisting of gorgeous bays and green peninsulas. Its 36 kilometers of coastline is the least urbanized coastal zone in Istria. Marčana and its fertile green fields, with gentle hills that descend to hidden rocky coves and secluded villages and towns are an undiscovered treasure of the eastern coast of Istria. On the edge of one of the settlements in the municipality of Marčana, there is a house for sale near the sea. It is built on a spacious plot of land, surrounded by nature and offers complete peace and privacy. The house, conceived as a tall one-story building, extends through the basement, ground floor and attic. The basement consists of three bedrooms, a bathroom and a storage room. On the ground floor there is a living room with a kitchen, a bedroom and a bathroom. The high attic with access to a spacious terrace consists of one room and a bathroom and is unfurnished. The land on which the house is located is for agricultural purposes and the house is legalized; it has a valid Decision on the executed condition and is legalized as a detached residential building with one residential unit. With certain investments, this property has great potential for family life as well as exceptional tourist potential.
