Description

Description: New in the offer - a luxury building under construction with 8 apartments located 250 meters from the beach in the village of Volme! The mentioned penthouse is located on the second floor of the building and consists of two bedrooms, two bathrooms and a living room with a kitchen and a dining room with a living area of 78.24m². The apartment also has a terrace of 36 m², which is a great advantage, considering that the apartment has a panoramic view of the sea. The property also has a parking space located in the building's garden and an additional garage space. The building and apartments will be equipped with top quality materials according to the highest construction standards (carpentry, ceramics, parquet, sanitary ware...), the apartments will have underfloor heating and air conditioning in every room. The building is currently under construction and will be ready for occupancy by the summer of 2024, and interested tenants can reserve their apartment now, and during construction, future owners are allowed to choose materials according to their wishes or some additional services that are not included in the price.
