Description

Description:	<p>PRIMOŠTEN - A house with several apartments with a beautiful view of the sea We are selling a house with four apartments in a great location in Primošten! Primošten is a beautiful small town located on the eastern coast of the Adriatic Sea, between Šibenik and Trogir, known for its exceptional beauty and charm, attracting visitors with its picturesque landscape, rich history and authentic Mediterranean charm. Another name is associated with Primošten and that is "city of beaches". Primošten is surrounded on all sides by long sandy beaches that take your breath away. One of the most famous features of Primošten is its old town core, next to which stretches the peninsula, surrounded by recognizable stone houses. The old core is one of the most attractive places for tourists because it has all the characteristics of an old Dalmatian town. Narrow stone streets, houses next</p>

to each other, the expanse of the sea, are just some of the characteristics that contribute to its attractiveness. This property is only 500 meters from the largest and most beautiful beach of Raduča, which is located in the very center and stretches along the entire peninsula and has a wonderful view of the sea. On the ground floor of the house there are two apartments, a studio apartment of 28m² and a one-room apartment of 37m², each with its own terrace. On the first floor there is an apartment of 65 m² and consists of two bedrooms, a living room, a bathroom and a kitchen. In the high attic is the fourth apartment of 60 m², which has two bedrooms, one utility room (which can be used as a room), living room, bathroom and kitchen. Each apartment has its own terrace! Ownership clean. There are not many properties for sale in this part of Primošten, so if you want a property, close to the sea and beaches, arranged for tourist rental, with several furnished apartments, this is a unique opportunity. For more detailed information and viewing, please contact the agent. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions.
