Description

Description: CRIKVENICA - Apartment in the center 2 bedrooms + bathroom The town of Crikvenica is, in fact, a sea riviera. Four towns in one! The town consists of Selce, Crikvenica, Dramalj and Jadranovo, almost joined in a unique series of tourist places. They are located along the coast of the Adriatic Sea, in the area of the Kvarner Gulf. Administratively, they belong to the Primorje-Gorski Kotar County, whose seat is 30 kilometers away in Rijeka. The city of Crikvenica is not only land. The sea also extends into the water area of the Vinodol channel, on an area of about 60 square kilometers. The centuries-old tourist tradition on the Crikvenica Riviera is a consequence of its excellent geographical location and good road connections. It is so close to visitors from Central Europe that they can reach it in one day by road. In addition to road, it can be reached by sea or air. Boaters find moorings in the city port. There are also many smaller harbors for your vessels on the Riviera. Not far away, in the marinas in Novi Vinodolski ("Marina Novi" and "Mitan Marina") and on the island of Krk in Punt, winter mooring services are offered. The easiest way to get there by air is via Rijeka Airport, also located on the island of Krk, only twenty kilometers from Crikvenica. The climate on the Crikvenica Riviera is as mild and stable as Mediterranean you could wish for! Thanks to favorable weather conditions, you can enjoy many outdoor activities here almost all year round, from sailing to hiking, running, cycling and many others. The Riviera is located on the sea, yet close enough to the mountains, so in the same day you can enjoy the beach, diving, sailing or sailing, and then in just half an hour you can reach the peace of the forest and taste healthy specialties

made from medicinal plants. The Rivas of Crikvenica, Novi Vinodolski and Vinodol together have more than 300 km of various hiking and mountain trails and the same number of cycling trails. The epithets of the health riviera and the city of marathons only confirm what many people recognized more than a hundred years ago - Crikvenica is ideal for the health of all generations and a true paradise for athletes and recreationists. The heart of the Riviera is Crikvenica, the proud owner of the most beautiful city beach on the Adriatic. The picturesque town of Selce attracts attention with the beauty of tradition. Charming Jadranovo captivates with its connection to pristine nature, while Dramalj reveals why the stars shine more clearly and the music sounds more melodious here. We mediate the sale of an apartment in the center of Crikvenica! The apartment is located in the attic, its size is 62m2 and it is suitable for living or vacationing in this beautiful tourist place. It consists of a hallway, two bedrooms, bathroom, kitchen, dining room and living room, and a balcony. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions.
