Description

Description:	<p>ISTRIA, RABAC - Land with a building permit and an enchanting view On the southeastern coast of Istria, where green hills meet the sea, where nature and heritage come together, just five kilometers apart, there are two small towns of similar size, but with different but mutually complementary character - Labin and Rabac. Rabac, due to its white pebble beaches, rich Mediterranean vegetation and crystal clear sea, has been called the pearl of Kvarner. Once a small fishing village, today Rabac is an attractive tourist destination that hides a wealth of cultural events in a network of colorful streets. The green surroundings of Rabac and the picturesque hinterland invite you to adventure, research and recreation throughout the year. Not far from Rabac and Labin in a small settlement by the sea, there is a plot of land for sale with a building permit and an enchanting view. It is located in the Mediterranean greenery in a quiet settlement near the beach, on a hill from which the view opens onto the endless sea, islands and the surrounding area. It has a regular shape, the terrain is slightly sloping, it is accessed by a neat macadam road, and the water and electricity connections are located on the land. The land has a valid building permit for the construction of an impeccable villa with a swimming pool. The main project envisages the construction of an attractive villa that extends through the ground floor and the first floor and consists of five</p>

bedrooms with their own bathrooms, a living room, a dining room and an open-concept kitchen, a wellness area with a bathroom, a room for socializing, a guest toilet, a room for equipment , pantries and storerooms.
