Description

Description:

ISTRIA, LABIN - House under construction On the southeastern coast of Istria, at the place where the green hills meet the sea, where nature and heritage come together, there are two towns of similar size, but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 m high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. In the vicinity of the town of Labin, there is a house for sale under construction. Quality materials were used during construction. In addition to the quality of construction, the house is characterized by a timeless design and excellent spatial organization of the interior and exterior. The house is designed as one residential unit with a net area of 151.60 m². It consists of an open-concept room that unites the living room, dining room and kitchen, three bedrooms with their own bathrooms, a laundry room, a bathroom, a storage room and a room for equipment. Next to the house there is an auxiliary building with a net area of 42.12 m², which consists of a summer kitchen, a bathroom and two storage rooms. The yard is dominated by a 34 m² swimming pool. The stated price refers to the condition visible in the photos. This property is an ideal opportunity for family life or as an investment for rental for tourist purposes. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions:
