Description

Description:	Istria, Pula The location of the land is very good, which allows it to be well connected to important amenities (shops, kindergartens and public transport). It is located only 10 minutes from the city center. The land is 2860 m2 in size and has
--------------	--

the possibility of building a residential building. Water and electricity near the plot. It is located in a quiet street surrounded by greenery and offers the possibility of a large parking lot next to the residential building. Proximity to the center, excellent connection with other facilities gives this land a great advantage for building a building for tourist rent, but also an excellent position for building a building for family life. ID CODE: 1035-21
