Description

Description: Istria, Pula The house is a perfect combination of modern style and comfort and is located in a quiet area near the center of Pula. Near the house there are all the necessary amenities. The house consists of a basement, ground floor, first and second floor. In the basement there is: a garage for two cars connected to the interior of the building by stairs, a room of larger dimensions that can have different purposes and a machine room. The house also has two outdoor parking spaces. On the ground floor there is a kitchen, dining room and living room with access to a shared terrace. The first floor is intended for the sleeping area, where there are four rooms of similar square footage and three bathrooms, and a large covered terrace that connects the two rooms on the south side. What is special about this house is located on the second floor, a recreation room and a large terrace with a wonderful view of Pula and the surrounding area. The house is heated using underfloor heating, and the rooms and living rooms are additionally equipped with air conditioners. Electric blinds are installed on the windows of the house. Due to its location, the house offers its owners the possibility of family life in a quiet neighborhood surrounded by nature or a tourist vacation in a wonderful neighborhood. ID CODE: 1035-6
