tavern and a swimming pool. Inside the house there are five residential units, with one or two bedrooms spread over three floors. Gas-fired central heating has been implemented, and each apartment has an electricity meter, and the rooms inside the house are cooled with air conditioners. Ten vehicles can be accommodated within the plot, and there is also a garage for one vehicle. During the summer months, the residential units of the house are rented out for the purpose of tourism, and during the winter period they are rented out to workers, so this house provides additional income to the future owners in every period of the year. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions.
