The town of Crikvenica is, in fact, a sea riviera. Four small towns in one! The town consists of Selce, Crikvenica, Dramalj and Jadranovo, almost merged into a single series of tourist destinations. They are located along the Adriatic coast, in the Kvarner Bay. Administratively, they belong to the Primorje-Gorski Kotar County, whose headquarters are about 30 kilometers from Rijeka. The city of Crikvenica is not just the mainland. The sea also extends into the waters of the Vinodol Channel, covering an area of about 60 square kilometers. The century-old tourist tradition on the Crikvenica Riviera is a consequence of its excellent geographical position and good road connections. It is so close to visitors from Central Europe that they can reach it by road in one day. Apart from road, it can be reached by sea or air. Sailors find a berth in the city port. There are also many smaller ports for your boats on the Riviera. Not far away, on the other hand, in the marinas in Novi Vinodolski ("Marina Novi" and "Mitan Marina") and on the island of Krk in Punat, winter berth services are offered. The easiest way to get by air is through the airport of Rijeka Airport, also located on the island of Krk, only twenty kilometers from Crikvenica. The climate on the Crikvenica Riviera is mild and stable Mediterranean that you can only wish for! Thanks to the favorable weather conditions, you can enjoy many outdoor activities here almost all year round, from sailing to walking, running, cycling and many others. The Riviera is located on the sea, yet close enough to the mountains, so on the same day you can enjoy the beach, dive, sail or sail, and then in just half an hour to reach the forest peace and taste healthy specialties of medicinal plants. Riviera Crikvenica, Novi Vinodolski and Vinodol together have more than 300 km of various hiking and mountaineering and as many bike trails. The epithets of the Riviera of Health and the city of marathons only confirm what many recognized more than a hundred years ago - Crikvenica is ideal for the health of all generations and a real paradise for athletes and recreationists. The heart of the Riviera is Crikvenica, the proud owner of the most beautiful city beach on the Adriatic. The picturesque town of Selce attracts attention with the beauty of tradition. The charming Adriatic conquers with its connection to untouched nature, while Dramalj discovers why the stars shine brighter here and the music sounds more melodic. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions. <https://www.dux-nekretnine.hr/opci-uvjeti-poslovanja> ID CODE: 23340
