Description

Description:

ISTRIA, POREČ - New construction with garage, swimming pool and sea view. Bathed in a pleasant Mediterranean climate, located in the heart of the western Istrian coast, the ancient town of Poreč and its coastline of preserved natural beauty, landscaped parks, pine and oak groves that reach the sea itself, along which clear sea, beaches, bays and islands are spread over an area of 139 km² and consists of 58 settlements. With the identity of an urban coastal city, Poreč is a city of culture, sports, entertainment, tourism and genuine hospitality. One of the most attractive cities of Croatian tourism that uniquely combines the natural beauty of Istria, rich cultural and historical heritage and the most modern amenities of a top tourist destination. The harmony of the old town core, which is a cultural monument, with one of the most famous Istrian cultural monuments, the Euphrasian Basilica, which is on the UNESCO World Heritage List, and the most organized and best equipped tourist resorts on the Adriatic forms a mosaic of unforgettable experiences. Poreč is also a city that is much more than a summer destination of sun and sea. Poreč is a city tailored to man. A city where there is a constant impulse for better living conditions and greater progress in various spheres. A city that is a pleasant, safe and well-organized place to live where everyone can find their place, a city without surcharges with high social sensitivity for all generations. Not far from the city of Poreč, there is a new building for sale with a garage, a swimming pool and a view of the sea. The property with an attractive exterior, perfectly integrated into the landscape that surrounds it, is characterized not only by its convenient location, but also by the quality of its construction. The facade is made with a composite thermal insulation system consisting of EPS-F insulating panels and high-quality finishing plaster, the bathrooms are equipped with high-quality sanitary ware of the renowned Catalano brand, and it is also equipped with a smart home system that enables efficient lighting and heating management. The attractive and coordinated interior and harmoniously planned rooms show that every detail was thought of when decorating this property. A large number of glass walls ensure maximum penetration of outside light, which emphasizes the space, and at the same time fluidly connects the interior with the exterior. The house is designed as one residential unit with a total living area of 203.55 m², which extends over two floors. On the ground floor there is an open-concept living area that unites the living room, dining room and kitchen with access to a covered terrace. In the rest of the ground floor, there is also a bedroom with its own bathroom, a guest toilet and a technical room. An internal staircase leads to the first floor where there are three bedrooms with their own bathrooms. Two rooms have access to a spacious terrace with a view of the surroundings and the sea. The yard of the house is completely fenced and horticulturally arranged. It is dominated by a 42 m² swimming pool with a sun deck, and the place is also occupied by a garage for one vehicle. The location, structure and comfort make this property an ideal opportunity for a peaceful family life as well as an investment for the purpose of

tourist rental. The stated price refers to the turnkey phase. The planned completion of the works and handover of the property is expected at the end of 2024. The seller is a legal entity and VAT is included in the stated price. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 23481
