Description

Description: Eastern Istria, Rakalj, we are selling a beautiful building plot in a great location. Only 5 kilometers from the beautiful beach and the clean sea, this construction site with a regular shape and flat surface is located. The land with a total square

footage of 1005 m2 has a neat access road from the asphalted road, and the infrastructure for electricity and water is located nearby. The location is ideal for building a holiday home because of the beautiful view and peace and quiet, but also because of the proximity to amenities such as shops, restaurants and cafes.
