Description

Description:	ISTRIA, LABIN - House and business premises On the southeastern coast of Istria, where green hills meet the sea, where nature and heritage meet, there are
--------------	--

two towns of similar size but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 meters high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. In the vicinity of the town of Labin, in a fortified town above the blue-green bay that overlooks the entire Kvarner, a house and business premises are for sale. The house extends over two floors and consists of three residential units with separate entrances and a garage. On the ground floor there is a residential unit in the high Roh-bau phase with an area of 85 m², which consists of a living room, dining room and kitchen in an open concept, two bedrooms and a bathroom. The floor plan of the ground floor is complemented by a 20 m² garage and a storage room. On the first floor there are two tastefully decorated and well-equipped residential units with access to the balcony. The apartment of 49 m² consists of a living room, dining room and kitchen in an open concept, a bedroom and a bathroom, while the apartment of 52 m² consists of a kitchen with a dining room, two bedrooms and a bathroom. Commercial space of 60 m² with direct access from the public road and public parking in front of the entrance is located in front of the house in the basement and offers a special potential in terms of positioning. This property is an ideal opportunity for investment as well as for family life. Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 23494
