Description

Description:

ISTRIA, NOVIGRAD - A combination of style and comfort near the beach Novigrad, once a quiet fishing village, has become over the years an attractive destination for tourists from all over Europe and the world, many of whom return regularly. Becoming one of the most desirable places for tourist stay and vacation, Novigrad has preserved its irresistible charm of a quiet fishing town, that recognizable, almost intimate atmosphere, so characteristic of small Mediterranean towns. The Novigrad riviera on the west coast of Istria stretches from Dajla to the mouth of the Mirna river, and is adorned with an indented, low and accessible coast of rocky and pebble beaches. Not far from the city of Novigrad, in a charming settlement in the bay, there is a property for sale that represents a combination of style and comfort close to the beach. The microlocation is ideal; in addition to the proximity of the pebble beach, it offers magnificent sunsets, tranquility and peace, and is connected to the neighboring towns by a promenade along the sea and a bicycle path; Umag and Novigrad. The comfortable house extends over two stylishly decorated and well-equipped floors and contains two residential units with a pleasant ambience. On the ground floor there is an apartment consisting of a hall, kitchen, bedroom and bathroom. The rest of the floor plan is complemented by a spacious bathroom with a laundry room and a utility room. On the first floor there is a residential unit with a spacious terrace offering a view of the sea. It consists of a living room, a kitchen, three bedrooms and a bathroom. The harmony is rounded off by a fully fenced garden decently enriched with fragrant jasmine and oleander flowers. An exceptional opportunity for a peaceful family life with the smell of the sea, the sound of waves and the proximity of the crystal clear Adriatic Sea, as well as an investment for the purpose of tourist rental. Dear clients, the agency commission is charged in accordance with the General Business Conditions:
