Description

Description:	ISLAND OF KRK, wider area of the city of Krk - Luxury villa with a view of the sea On the ground floor there is a living room with a kitchen and a dining room from which there is access to a terrace and a sundeck, a guest toilet, a bedroom

with a bathroom and a storage room. Upstairs there are three bedrooms, each with a bathroom and access to the terrace with a view of the sea. The house is superbly equipped, high-quality PVC joinery, has electric underfloor heating, electric blinds, drip irrigation, preparation for installing solar collectors, preparation for pool heating, and on the terrace there is preparation for a jacuzzi. The pool is with salt water and electrolysis. The price also includes a brick barbecue, with storage for wood and a pergola. Today, we know Krk as a tourist destination of exceptional cultural and artistic heritage, where the ancient Splendidissima Civitas Curitarum (the splendid city of the people of Krk) lives in harmony with the bustling character of modern times. The ideal geographical position is an advantage that the island of Krk used to value very well as a tourist. We are talking about the proximity of the mainland to which twenty years ago a bridge was added connecting Krk to the mainland, thus making it even more accessible. Good traffic connections have made the island of Krk a favorite excursion destination, but also the other way around: the island can be used for meaningful one-day trips. For example, a trip to the Plitvice Lakes and North Velebit National Parks. True explorers will definitely want to get to know Rijeka - the center of the Primorsko Goranska County, and they will connect their stay in Rijeka with an unavoidable visit to Opatija - the tourist "pearl of the Adriatic". A one-day trip to Istria will be very interesting, where we recommend staying in its central part rather than on the coast! Finally, the island of Krk is connected by a ferry line to three islands: Rab, Cres, Lošinj, which can also become destinations for your day trips.
