Description

Description:

Beautiful new building not far from Fažana! At only 600 meters from the sea, in a quiet location, the construction of a modern building is starting, which will consist of 3 luxurious apartments of high quality. The mentioned apartment will be located on the first floor of the building and will consist of a hallway, living room and kitchen, two bedrooms, pantry, bathroom and parking in the yard. The orientation of the apartments is south-west. The apartments will be modern and built to the highest standards. Among the equipment, we emphasize burglar-proof doors, PVC / aluminum carpentry in anthracite color with built-in mosquito nets and electric blinds, underfloor heating in the entire apartment, Mitsubishi inverter air conditioning in every room, preparation for an electric car in the parking lot, and modern ceramic design. In addition to all these characteristics, the location is the most important, and the building will be located in a quiet street in Valbandon (not far from Fažana), only 600 meters from beautiful beaches, 300 meters from restaurants and supermarkets. The location is great for a year-round stay, considering that the apartments and the building itself will be of top quality, but the apartments are also a great option for tourism or an occasional stay... We are currently accepting reservations for apartments, upon request we deliver all documentation to the buyer for inspection.
