About us: Dux nekretnine agency operates with the aim of raising the quality of real estate brokerage to a higher level of professionalism and mutual satisfaction of the parties with which it cooperates. How do we do that? We approach each client humanely and professionally in order to facilitate one of the biggest and most important decisions in life - buying real estate. Our offer includes a wide range of high quality and very attractive properties in the Kvarner, Istria, islands and wider surroundings in order to satisfy the refined tastes of our longtime customers. The buying and selling process takes place at the highest level of quality with our reliability and commitment to each individual client. Our job is not done until we see a smile on the faces of clients. And even then because we like to stay in touch

even after the contract is signed
- because our mission is more
than just a job.

Description

Description:	<p>ISTRIA, POREČ - Beautiful apartment with a sea view The city of Poreč, one of the most beautiful pearls of the Adriatic Sea, is located on the west coast of Istria. On the relatively small peninsula area where the city arose, traces of the meeting of the Slavic, Romanic and Germanic worlds are still clearly visible today, which at the same time bear witness to the multitude of changes - political, social and ethnic - that this Istrian town has experienced in history. The history of Poreč is a history of constant changes, movement and turmoil, the impermanence of the people, ups and downs, in which the history of new beginnings appears as a constant. This city constantly reveals traces of the life of many civilizations and cultures that built its urban and historical identity. In a beautiful place in the vicinity of Poreč and only 1600 meters from the sea, a beautiful apartment is for</p>
--------------	---

sale that has been carefully decorated. This beautiful smaller residential building consists of only 4 apartments and one office space spread over 3 floors. Apartment 3 is located on the second floor of the residential building and has a total area of 63.38 m². The apartment consists of a corridor, a toilet, a bathroom, a pantry, an entrance hall, two bedrooms and a living room with a kitchen and a dining room. There is a view of the sea from the living room and one bedroom. The apartment has electric underfloor heating in the bathroom, and all other rooms have air conditioners for heating and cooling. It is possible to connect to the chimney, so you can have additional heating sources or install a fireplace for ambiance. Every corner of this apartment has been designed with a lot of attention, with quality equipment and elegant details that create a warm and pleasant home environment. Top quality Italian "Marca Corona" ceramics are installed throughout the apartment. The carpentry is made of PVC with three-layer glass and all windows have aluminum shutters. Furniture is included in the price. The apartments are subject to VAT and the advertised price includes VAT. All facilities such as shops, restaurants, schools, kindergartens are located in the immediate vicinity. This apartment represents a great opportunity for family life, a luxurious vacation from the stress of city life in the Mediterranean climate or as a financial investment for rent. Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 24166
