Description

Description:	RIJEKA, PEĆINE - luxuriously furnished apartment with garage We are selling a beautiful manor apartment in a sought-after location, close to the sea. It is located on the second floor of an impeccably maintained building. The apartment consists of an entrance hall, a toilet, three bedrooms with bathrooms and a living room that includes a kitchen, dining room and living room. The main part of the apartment

faces south and offers a view of the sea and the surrounding nature. Other rooms face east and north. Each room has a balcony in addition to the bathroom. The room to the south shares that balcony with the living room. The apartment was completely renovated and furnished in 2023. During the renovation, top quality materials, appliances and coverings were used. The combination of high ceilings and their finishes fit wonderfully into modern furniture that is also extremely functional. The entire equipment of the apartment is at a high level, following the trends as well as the needs of the tenants. Namely, in every room there is enough furniture for storage that does not visually come to the fore. Tall built-in wardrobes, in tone and dimensions, are harmonized with the entire space. The details in the space are carefully chosen and very thoughtfully placed. With ambient lighting, this property gives its maximum in transformation. Cooling and heating is solved by means of a heat pump. In this location, it is almost impossible to find a parking space, so with this property, as an added value, there is also a 20 m2 garage, which is located by the road, in front of the entrance to the building's yard. I am available for additional questions. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions.
