Description

Description:	ISTRIA, POMER Beautiful holiday home near the sea! In the depths of a deep
--------------	--

bay, protected from the cold winds and lulled by the shade of pines, is the self-contained Pomer. Quiet, relaxed and thoughtful, Pomer is a place of revived memories that return with every wave on its coast. The sea is undoubtedly the main attraction in this corner of paradise. Its plaventillo hides the richness of taste and smell that it has so selflessly provided for thousands of years. The beauty of this bay and its benefits were also noticed by the ancient Romans, they called it Pomoerium and built their luxurious spas, luxurious villas and a harbor here. This beautiful one-story house is located only 1100m from the sea. The land of 981 m² hides a ground floor of 85 m², which consists of a living room with a kitchen and a dining area, three bedrooms and two bathrooms. The exterior of the property includes a swimming pool, a terrace, a canopy with a summer kitchen and a fireplace, a sunbathing area, a playground for the youngest, a green area and parking for several cars. The property is in the rental system for tourist purposes and is used as such. Therefore, the future owners of the same well-established business offer the possibility of a safe return on their investment. Definitely a property worth your attention! Dear clients, the agency commission is charged in accordance with the General Business Conditions
