Description

Description: Opatija, surroundings, ideal house with three apartments. Not far from the center of the abbey, there is a beautiful house consisting of three apartments. The largest apartment consists of two floors with a total area of 245m², the other apartments have a total area of 75m² and 56m², which can be expanded by another 28m². The carpentry and interior are handmade from old oak combined with old brick. In the largest apartment, there is a potash wood stove, and there is also gas central heating. The apartments can be used as apartments in the tourist season due to the large garden. It is also possible to build a swimming pool. The property has a wonderful view of nature and provides complete peace. All the necessary facilities for life are located in the immediate distance. The property is ideal for a tourist investment or for a quiet family life. ID CODE: 2005-4
